

Children's letter from Santa!

This year, Events in Foxfire by FPOA is sponsoring a "Letters from *Santa*" program for kids. Here is your chance to get a personalized letter mailed from *Santa* to your child or grandchild!

Please have your child write their letter to *Santa* which may include details about a gift they're asking for this year and/or details about something special that happened during the year. In return, *Santa* will send a personalized response including your child/grandchild's name and details from their letter.

A special delivery mailbox will be set up in the Clubhouse entrance hallway for ***outgoing*** mail to *Santa*.

Please drop your child/grandchild's letter off t by December 10th to ensure *Santa's* response arrives before Christmas.

Don't forget to include a return address!

Merry Christmas!!
