TERMS AND CONDITIONS

- 1) This quote is valid for 30 days. It does not include (if applicable) any additional equipment, cabling or pre-installation work, added features, shipping, optional features or services that may have been added at the customer's request prior to installation and billing. Pricing is valid for the length of the term for (36) consecutive months from date of installation. Once term is completed, month to month rates will apply.
- 2) **Payment Terms: Net 15 - Upon receiving first invoice customer will receive a login to payment portal to set up ACH/Credit Payment. The pricing above does not include taxes, fees and surcharges that are imposed or permitted by a government agency under a rule or regulation.** In many cases, they are designed to support a specific program (e.g. universal service fund, 911, deaf relay services, etc.)
- 3) Suspension of Service: Should Customer fail to keep its account current, For2Fi has the right to suspend Customer's service upon (10) days written notice (except as specified by FCC or state regulations, where applicable) and continue billing until sufficient payment has been received to bring Customer's account current. If the service is suspended due to Customer's non-payment, For2Fi will not restore service until all charges are paid in full, A minimum \$100.00 restoration fee will be charged by For2Fi.
- 4) For2Fi, Inc., in its sole discretion reserves the right to ensure that services are used by the customer for normal day to day business use, and has the right to cancel lines for misuse or abuse. Our service is not meant for non-stop streaming or gaming. For2Fi will notify the Customer of misuse and allow 48 hours to correct the issue before cancelling any lines of service. For2Fi may suspend service while misuse or abuse is being resolved.
- 5) **CONFIDENTIAL AND PROPRIETARY:** This proposal is provided to the Company listed above and may not be disclosed or forwarded to any other party without the express written consent of For2Fi, Inc..
- 6) **TERMS OF SERVICE:** By signing this Agreement, the parties agree to incorporate in this Service Order Addendum with the associated For2Fi, Inc.'s Terms & Conditions. In the event of conflict between the Terms & Conditions and Service Order Addendum, the Terms & Conditions shall control. <https://www.for2fi.com/terms-and-conditions/>
- 7) **Additional Terms:** Pricing includes Data Plan and any LTE usage required to provide dial tone and service for number of lines quoted. LTE Service is not allowed to be used for any reason other than data usage required to provide Analog Phone Line Service.

CUSTOMER AUTHORIZATION

The signatory below represent and warrants his or her authority to execute, deliver and perform this Agreement on behalf of the Company named below. For2Fi, Inc. shall be entitled to rely on any apparent or implied authority of such signatory, which shall result in a binding and enforceable agreement between For2Fi, Inc. and the Company. Installation shall mean the date when For2Fi, Inc. tests and turns up your service and we notify you that your service is ready for use.
